MEMORANDUM FOR: OJCS/AD/Production Branch

SUBJECT : CIRIS Project Turnover to  
Production Branch

1. Attached are the following items concerning the CIRIS project:

- a. System Flowchart
- b. System Narrative
- c. File Descriptions of CIRIS Report  
Programs located on Tape Number 12814
- d. File Descriptions of CIRIS Input  
Programs located on Tape Number 13241
- e. CIRIS Report Titles
- f. Program Narratives
- g. CIRIS Input and Internal Codes
- h. CIRIS Procedure Flowcharts
- i. CIRIS VIR Master File Data Element List
- j. CIRIS 90 Character Master File  
Data Element List
- k. CIRIS 180 Character Master File  
Data Element List
- l. CIRIS Input Instructions
- m. Data Structures Used by Programs (cards)

2. The conversion and validation tables by the CIRIS system are located on the IC Staff's P-space. These can be transferred to you when you are ready to receive them.

3. The documentation of the CIRIS reports is incomplete since most of the documentation was lost when OJCS reorganized and moved many of their application personnel around last year.

AT

4. Any questions which you have on this project should be referred to me or [redacted] who has been responsible for maintenance of the CIRIS project.
